

PARENTS BUILDING SOLUTIONS

Hi everyone, come along to a free one-off workshop to talk about how to manage aggression and other challenging behaviours in children.

Explore ways to discipline which involve you and your children setting consequences together.

Hopefully there is less frustration, tears and/or anger from you and/or them!

Thursday 31 October 6pm-8pm

Somerville Secondary College
37 Graf Road
Somerville

Please register with School administration or turn up on the day
