

Parenting Teens in Australia

A solution-focused parenting workshop for all families

Are you raising teenagers?

Raising teens in Australia today is very different for us all, especially when we came from other countries or cultures.

There are many challenges which our parents did not have - social media, technology, information overload, environmental stress, questions about cultural identity, language barriers and now COVID-19.

Bring your questions, concerns & ideas and let's focus on Discipline.

DATE: Wed 17th June 2020
TIME: 7.00pm to 8.30pm
WHERE: **Online Zoom workshop** proudly supported by Dandenong High School

Bookings: Contact Ariane Hahn on 0499 080 468

***Book before Tues 16th June if you need an interpreter**
