

Managing Change - Preschool/Primary

We all know that children, and adults, have had to deal with a lot of change in 2020. This interactive session is an opportunity to hear from other parents. We will explore some of the fears and worries our children have around change and how we can respond to these. We will discuss a range of resilience skills and strategies that may be helpful to support your children during this period of change. This session is for parents of pre-school and primary school aged children.
