LEARNING OUTCOMES

The three day training will assist participants to:

- Understand the impacts of Family Violence on women and children
- Explore strength-based, participant driven group formats
- Identify techniques and strengths for group work, engagement and facilitation
- Increase skills and confidence in supporting families who have experienced violence
- Practice group work skills in a family violence context, within a parents', children's and combined family group

Training will be delivered by Ariane Hahn from Anglicare Victoria, who has had extensive experience in parent and community education and working with women and children who have experienced family violence.

WHAT IS THE BEYOND THE VIOLENCE PROGRAM?

Beyond The Violence is an 8 week group for non-violent parents and children who have experienced or are experiencing Family Violence.*

The program helps families to establish safety, rebuild family relationships and move forward with their lives following Family Violence.

The emphasis of the group is on:

- Moving forward in a positive manner
- Re building family relationships
- Building skills - parenting skills and children's social skills
- Increasing safety and minimising risk

The program aims to allow a learning environment where participants are supported to:

- Acknowledge the past and it's impacts
- Establish or re-establish appropriate parent-child roles, relationships, responsibilities and trust
- Explore alternative approaches and behaviours that respect the rights of the individual and of others
- Feel safe
- Develop self-esteem and positive communication skills
- Accept responsibility for one's own actions
- Set and work toward family goals
- Build hope and trust
- Develop the life families want beyond the violence
